## COVERED IN FUN

When I'm painting with a paintbrush - I'm having so much fun  
If I splatter, mess or spill - I'll just clean up when I'm done

'Cause all the messy paint you see - Really doesn't bother me  
All that mess, it only means - That I'm just covered in fun  
I'm just covered in fun

When I'm playing in the mud - I'm having so much fun  
If my clothes get dirty or get soiled  
I'll just clean up when I'm done

'Cause all the messy mud you see - Really doesn't bother me  
All that mess, it only means - That I'm just covered in fun  
I'm just covered in fun

Yummy ice cream tastes so good - Licking it is fun  
But if it melts or drips on me - I'll just clean up when I'm done

'Cause all the ice cream mess you see  
Really doesn't bother me  
All that mess, it only means - That I'm just covered in fun - I'm just covered in fun

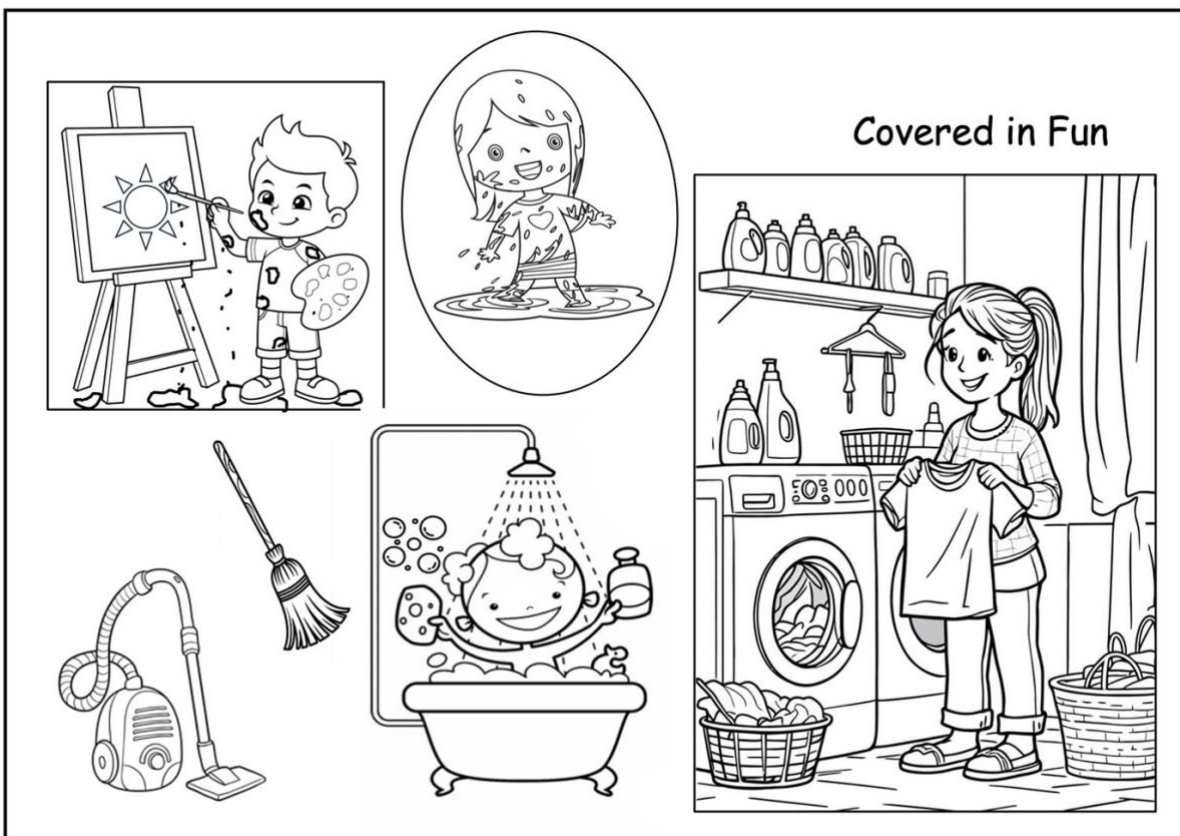

I love to finger paint, roll in the snow, skip in the rain, make cookies from dough  
Dig in the dirt, play in the sand, ump in puddles wherever I go  
Sure it's messy but it's so much fun - And I can clean up when I'm done

I mix water and flour for sticky glue - Art projects are such fun  
Even paper mache starts as goo - But I'll clean up when I'm done

'Cause all the messy goo you see - Really doesn't bother me  
All that mess, it only means - That I'm just covered in fun - I'm just covered in fun

Sometimes dirt and grit and grime - Are just signs of a real good time  
And when I'm so happy doing what I love - I'm proud to be covered in fun

So it doesn't matter how much mess I make - I'll just clean up when I'm done

## MY MIRACLE STAR

On the day that I was born, a star became my own  
So far away from here, but near enough to know  
You fill my world with magic and with miracles  
Giving me nothing less than happiness  
To guide me as I grow

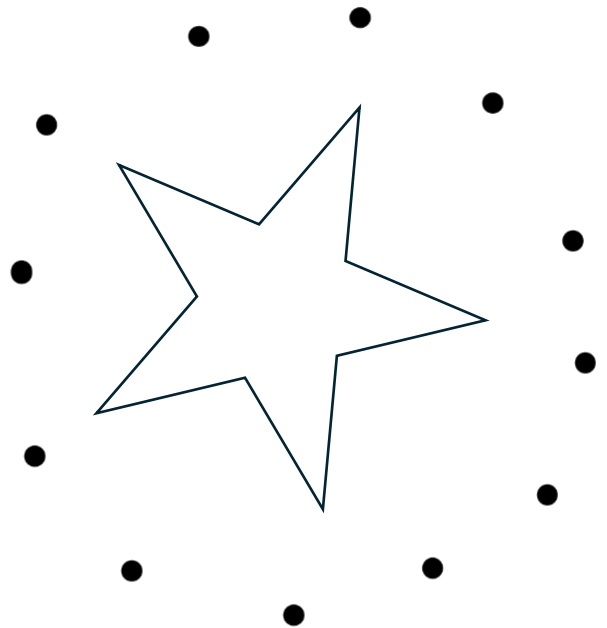

Miracle star wherever you are  
Shine your light on me  
Miracle star wherever you are  
You will always be  
My light in the dark, the smile in my heart  
Miracle Star

You have friends and family in each and every galaxy  
Yet still I know you save your brightest glow for me  
If I could fly, I would touch you in the sky  
And hold you like I do at night  
In each and every dream

Miracle star wherever you are - Shine your light on me  
Miracle star wherever you are - You will always be  
My light in the dark, the smile in my heart - Miracle Star

Any time I'm feeling blue - I take the time to think of you  
You always pull me through because you are - My lucky star

Miracle star wherever you are - Shine your light on me  
Miracle star wherever you are - Watch me as I dream  
And as I sleep tonight - Till the morning light  
Shine your light on me - My Miracle star

## ROCKET SHIP

Take a trip in my rocket ship  
We will fly, we will flip, we will dive, we will dip  
Take a trip in my rocket ship today  
Let's zoom away

There are a zillion stars and planets to explore  
A million, billion, trillion miles away  
We'll dodge the comets and avoid the asteroids  
In outer space we'll find a place to play

Take a trip in my rocket ship  
We will fly, we will flip, we will dive, we will dip  
Take a trip in my rocket ship today  
Let's zoom away

Through the clouds and the ozone layer  
Through the atmosphere  
We'll blast through the sky into the night  
We'll visit the Milky Way, every moon and sun  
We'll be the awesome astronauts in flight

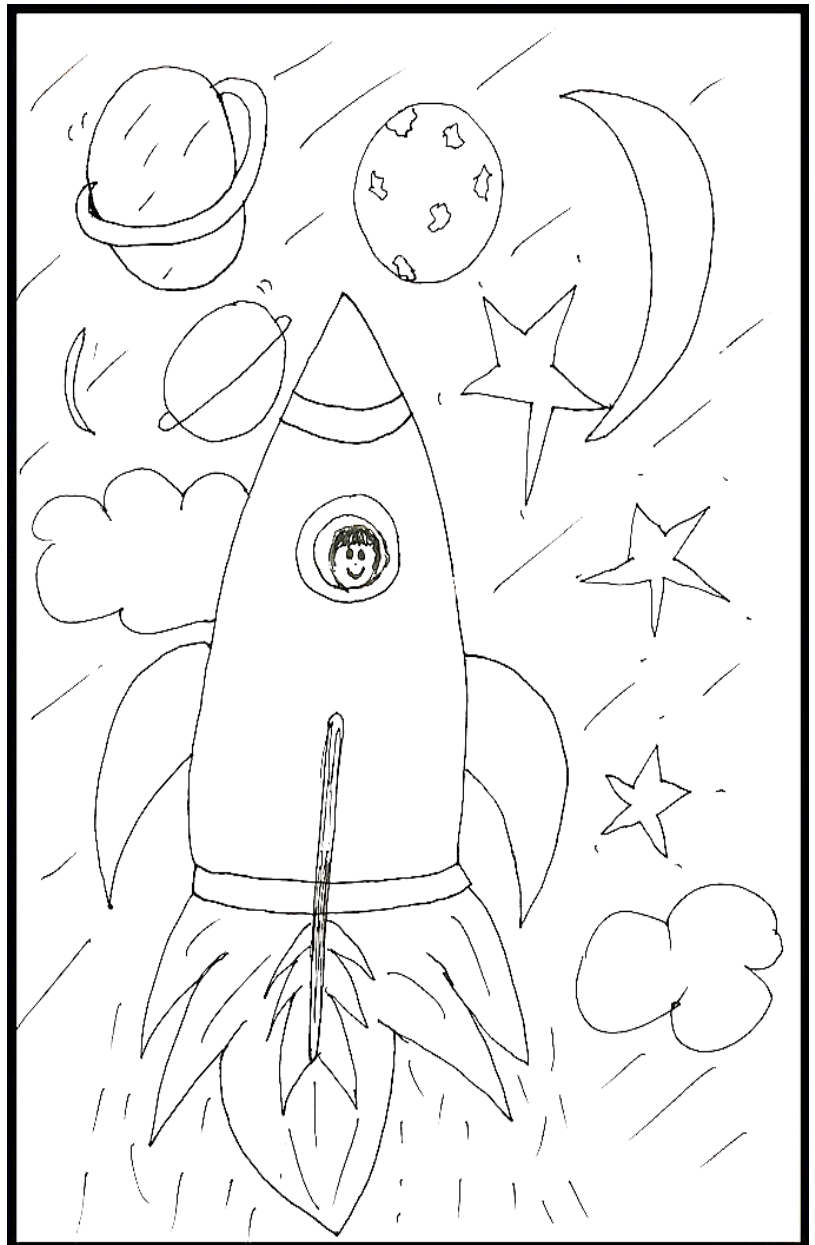

Take a trip in my rocket ship  
We will fly, we will flip, we will dive, we will dip  
Take a trip in my rocket ship today  
Let's zoom away

We'll stop at every station  
Of every constellation  
And with great acceleration we'll move on  
Other ships can follow us  
But no Black Hole will swallow us  
We'll lead the way without a fuss  
As we sail along

Take a trip in my rocket ship  
We will fly, we will flip, we will dive  
We will dip  
Take a trip in my rocket ship today  
Let's zoom away

Once or twice around the moon  
Don't worry folks, we'll be home soon  
After we've had fun amongst the stars  
Cruising, floating silently by  
Planets like Pluto deep in the sky  
A visit to Venus, Jupiter and Mars

Take a trip in my rocket ship  
We will fly, we will flip, we will dive, we will dip  
Take a trip in my rocket ship today  
Let's zoom away

## JUMBO JOLLYPOP JELLYBEANS

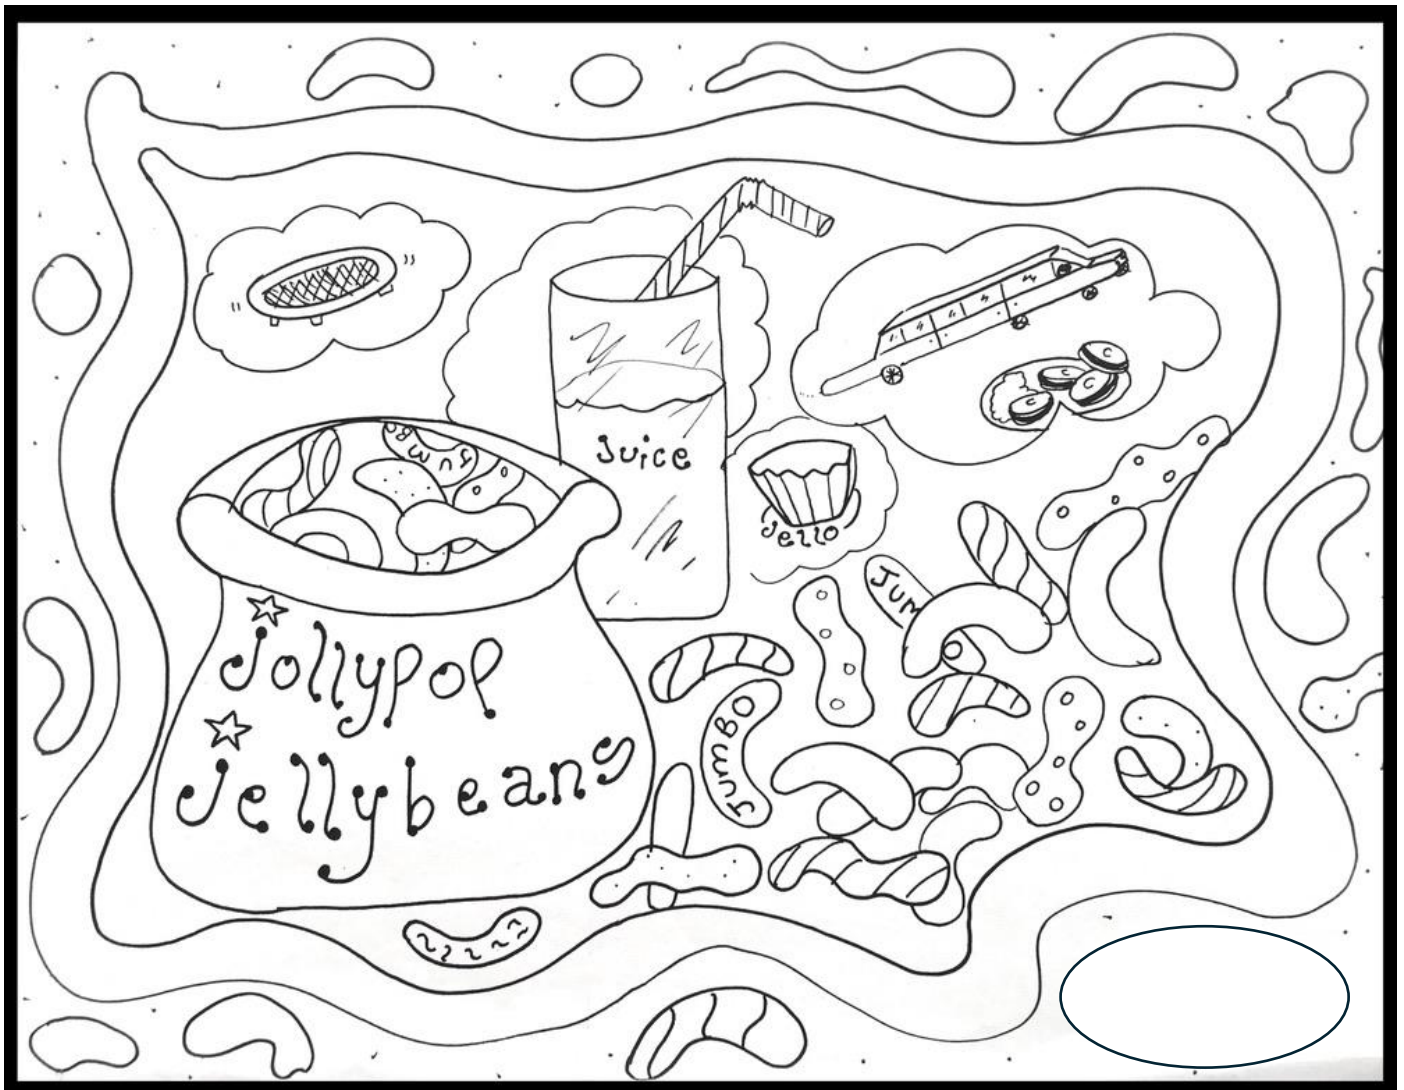

When it's time for a candy treat  
Something small, something sweet  
I'll have a fruity sugar cane cool cuisine  
A jumbo Jollypop jellybean

I love my jumbo Jollypop jellybeans  
'Cause they taste much better than cookies and cream  
They're just the yummiest thing to eat, it seems  
My jumbo Jollypop jellybeans

I love my jumbo Jollypop jellybeans  
More than I love having tea with the queen  
Better than driving in a limousine  
I love my jumbo Jollypop jellybeans

Jollypop jello and Jollypop juice are quite delicious too  
But my jumbo Jollypop jellybeans  
Are a candy dream come true!

When I bite right into my jellybeans  
I feel like jumping on a trampoline  
I feel like dancing with a tambourine  
I love my jumbo Jollypop jellybeans

## ANY CHANCE I GET TO DANCE I DO

When there's a song on the radio  
On a cool CD or a TV show  
I can feel the rhythm in my bones all day

When I hear music with a beat  
Well it's sure to get me on my feet  
Can't stay sitting in my seat  
No way

Hey, oh  
It feels so good  
Dancing puts me in a happy mood  
Oo oo  
How I love to move  
So any chance I get to dance  
I do

When I see an open space  
I turn it into a dancing place  
I even end up jumping on my bed

When I dance alone or dance with you  
I'll come up with something new  
For every song that's playing in my head

Hey, oh  
It feels so good  
Dancing puts me in a happy mood  
Oo oo  
How I love to move  
So any chance I get to dance  
I do

Shake, Shake  
Boogie Woogie down  
Samba  
Rumba  
Twist around  
Jazz  
Tap, tap  
Swing and soul  
Disco  
Hip hop,  
Rock 'n roll

Hey, oh, it feels so good  
Dancing puts me in a happy mood  
Oo oo  
How I love to move  
So any chance I get to dance  
I do

## THE JOLLYPOP SHIP

Hop, hop aboard the Jollypop - The ship is leaving today  
Captain check, we're all on deck - Ready to sail away

We'll be in motion with the ocean - We're off to a really good start  
We've got the beat in the soles of our feet - And we've got a song in our hearts

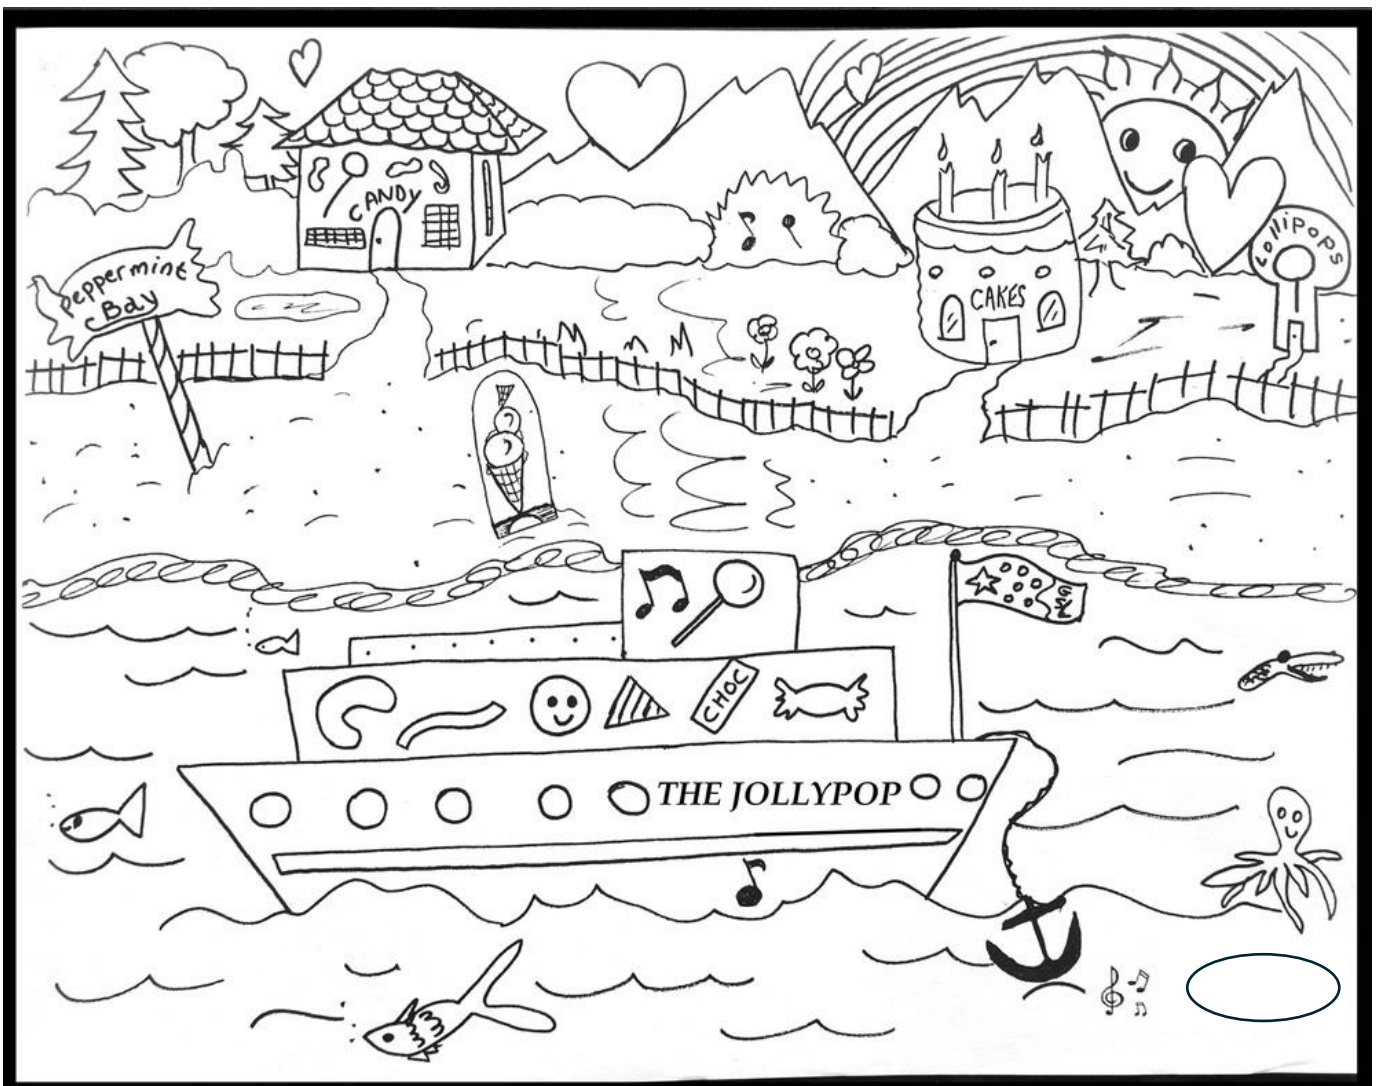

Port side left, starboard right  
Everyone's gonna have fun tonight  
From stern to bow, up and down  
Everyone's gonna have fun

Dinner's done at 10:15 - That is when our show begins  
We'll sing and dance the whole night long - As the Jollypop sails on

Port side left, starboard right  
Everyone's gonna have fun tonight  
From stern to bow, up and down  
Everyone's gonna have fun

We rock and roll with every tide - As we travel far and wide  
It's a cruise you sure could use - 'Cause you'll have the time of your life

Port side left, starboard right  
Everyone's gonna have fun tonight  
From stern to bow, up and down  
Everyone's gonna have fun  
Oh everyone's gonna have, everyone's gonna have  
Everyone's gonna have fun

## SING IN THE CIRCLE OF LIGHT

I'm so excited to be here with you - My feet can hardly touch the ground  
But deep inside I'm nervous too - I've got butterflies flying around  
But I'll take it one little step at a time - That way I know I'll survive  
'Cause when that spotlight shines on me - That's when I know I'm alive

So I will sing in the circle of light - I will dance all day and night  
I will sing in the circle of light - For the rest of my life

Every song is my inspiration - Every word every tune  
And my strongest dedication - Is sharing the music with you  
You bring me out of the dark - When you open your heart  
When you smile at me - I feel like a star wherever you are - So that's right where I'll be

So I will sing in the circle of light - I will dance all day and night  
I will sing in the circle of light - For the rest of my life

And when the curtain closes - The show will go on  
'Cause there's still the moon - And there's still the sun

So I will sing in the circle of light - I will dance all day and night  
I will sing in the circle of light - For the rest of my life

## SUMMER NIGHTS

Starlight, moon bright  
On the horizon, city lights  
Warm breezes sure please us  
On summer nights

Gathering 'round the firelight  
Roasting yummy marshmallow bites  
Scary stories and silly songs  
On summer nights

Oh nothing beats a summer night  
No nothing goes wrong, everything's all right  
No troubles, no worries, not a care in sight  
Oh everything's right on a summer night  
No nothing beats a summer night

Play the music loud and strong  
Get the dancing going from dusk till dawn  
Hours of pleasure, fun and leisure  
On summer nights

Oh nothing beats a summer night  
No nothing goes wrong, everything's all right  
No troubles, no worries, not a care in sight  
Oh everything's right on a summer night  
Oh nothing beats a summer night

Glow in the dark fun and fireflies  
Nightingales singing lullabies  
Every moment for sure, is pure delight  
On summer nights

Oh nothing beats a summer night  
No nothing goes wrong  
Everything's all right  
No troubles, no worries  
Not a care in sight  
Oh everything's right  
On a summer night  
Oh everything's right  
On a summer night

## IN MAMA AFRICA

There is a nation  
Under the Southern sun  
Where hope is high  
And the heart is strong  
Where humble heroes  
They made right  
At the years of wrong  
And we will sing  
Their song  
For years to come

In Mama Africa  
In Mama Africa  
In Mama Africa  
In Mama Africa

And in that nation under the Southern sun  
The people now dance to a different drum  
They're changing rhythms to the heartbeat of freedom  
And we will sing their song for years to come

In Mama Africa  
In Mama Africa  
In Mama Africa  
In Mama Africa

Landela abentwana elangeni  
The children play in the sun  
Landela abentwana

This is a nation that shines in the African Sun  
A rainbow nation of people the colour of one  
Generations in motion with spirit  
And passion the dream moves along  
And we will sing their song  
For years to come

In Mama Africa  
In Mama Africa  
In Mama Africa  
In Mama Africa

Landela abentwana elangeni  
Landela abentwana sibanye  
The children sing  
The children smile  
The children play in the African sun  
Elangeni  
In Mama Africa

## YELLOW BALLOON

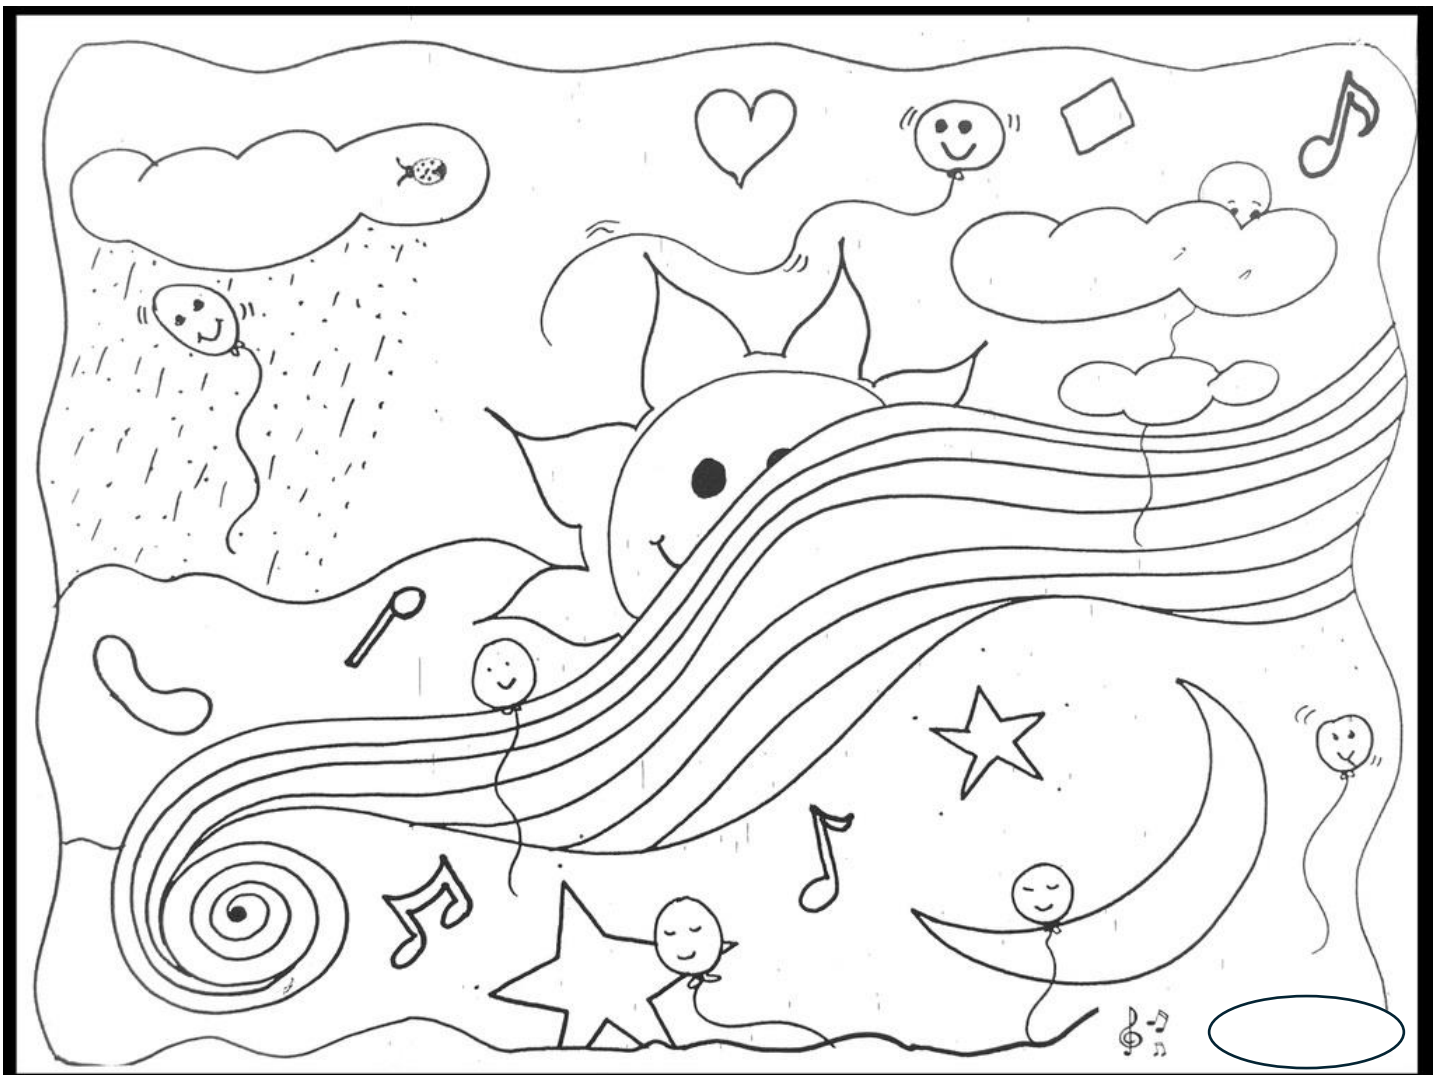

My yellow balloon has invisible wings  
And it flies through skies of blue  
If you hold on tight to its silvery string  
You will be flying too

Yellow balloon won't you fly to the moon  
Won't you sail upon a star  
Dream of a place and you'll be there soon  
Nowhere is ever too far for my yellow balloon

My yellow balloon likes to play in the wind  
Ride a rainbow while chasing the sun  
It will hide in a cloud and dance in the rain  
It's one little bubble of fun

Floating around on a whim, on a dare,  
Up and down, round and round, here and there  
Without a sound floating round and around  
Up and down, anywhere in the air

Yellow balloon won't you fly to the moon  
Won't you sail upon a star  
Dream of a place and you'll be there soon  
Nowhere is ever too far for my yellow balloon

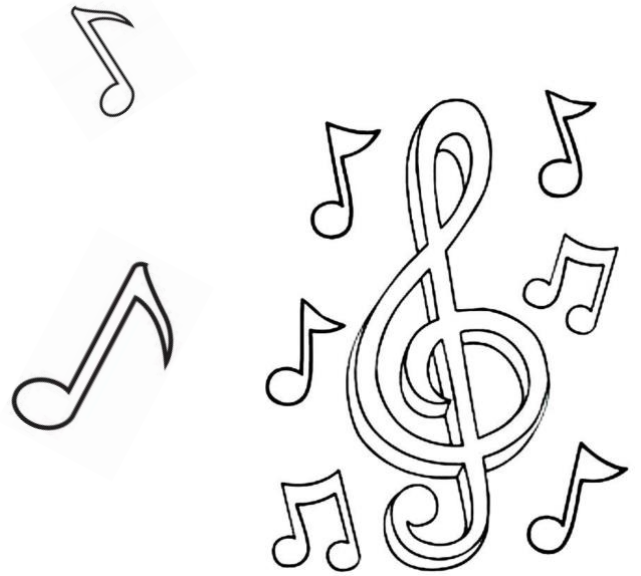

## SCATting SONG

Don't give me no lyrics  
They're too hard to learn  
Too many words give me memory burn  
But give me a melody and honey, just like that  
I'll turn it into a song I can scat

I'll put a tune together from notes hanging 'round  
I'll mix up some letters to make syllables of sound  
Don't give me no sentences or stories to recall  
I'd rather sing a song that makes no sense at all  
I promise every line will end in a perfect rhyme  
I'll even add a little rhythm to keep that scat in time

I can sing it high and I can sing it low  
I can wing it on the fly  
I can scat every song I know

Cinderella's fairy god-mother, she did it too  
She went

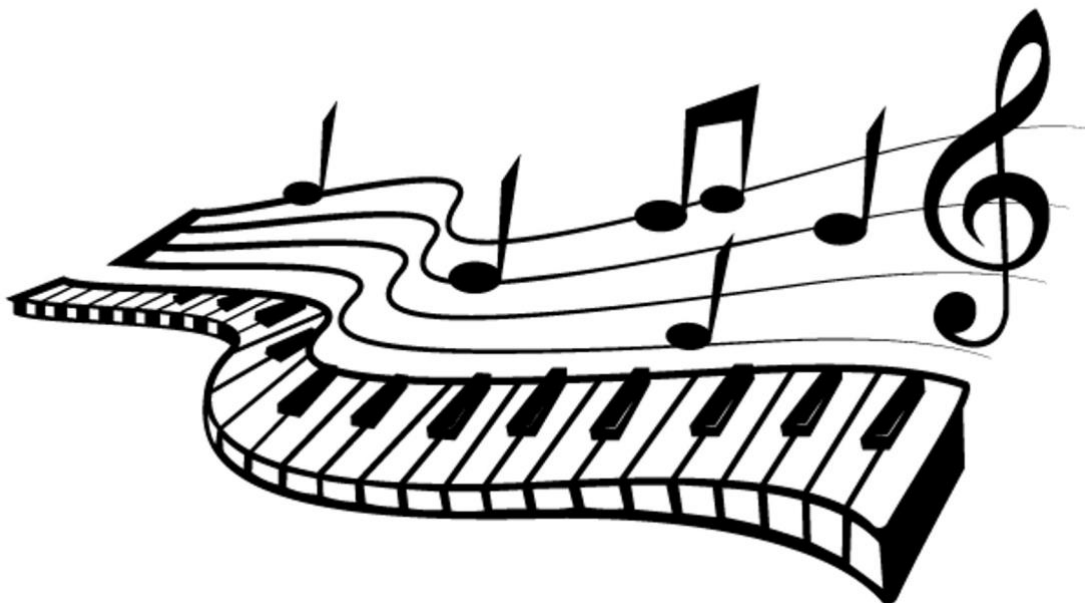

Bibbidi bobbidi, bibbidi bobbidi, bibbidi bobbidi boo

If I forget my alphabet I have another choice  
I can drum scat a hi-hat  
And play air trombone with my voice

So forgive me if your favorite song is not what you expect  
I might re-arrange it some but I mean no disrespect  
'Cause I can't give up singing,

Though I might give up a verse  
No, I won't be giving in to every singer's curse

'Cause I can still sing anything and never go wrong  
As long as I remember to sing it as a scatting song!

## GET-UP-AND-GO FEELING

I've got that get-up-and-go feeling  
I'm in that get-up-and-go groove  
And when I get that feeling  
I gotta be on the move  
How about you?

I cleaned my room, I got my homework done  
I know I'm ready for some fun, fun, fun  
I've got my comfy sneakers and my blue jeans on  
And a fun to-do list one mile long

I've got that get-up-and-go feeling  
I'm in that get-up-and-go groove  
And when I get that feeling  
I gotta be on the move  
How about you?

Let's go downtown to a Broadway show  
Let's go skiing in the cool white snow  
Let's go jumping in the leaves that fall  
Play soccer or a game of basketball

'Cause I've got that get-up-and-go feeling  
I'm in that get-up-and-go groove  
And when I get that feeling  
I gotta be on the move  
How about you?

Let's go cruising in a limousine  
Go to a movie that we've never seen  
Go rollerblading in the neighborhood  
Or ride our bikes or take a hike in the woods

'Cause I've got that get-up-and-go feeling  
I'm in that get-up-and-go groove  
And when I get that feeling  
I gotta be on the move

I've got that get-up-and-go feeling  
I'm in that get-up-and-go groove  
And when I get that feeling  
I gotta be on the move

## PRETTY PURPLE PENNY

One day when I was feeling sad and blue  
And time was passing by  
I was wandering around with nothing to do  
When something caught my eye  
It stopped me in my tracks  
There was no looking back  
For that special sparkly something made me smile

I found a pretty purple penny  
I don't think there can be many  
'Cause I know I've never seen it in a store  
I found a pretty purple penny  
And it's prettier than any  
Of the pennies I have ever seen before

It was round like a circle. It was flat.  
It was purple  
It was small and it had a lovely shine  
I could roll it and flip it, spin, toss or tip it  
Lucky me, that pretty penny was mine

I've got a pretty purple penny  
I don't think there can be many  
'Cause I know I've never seen it in a store  
I've got a pretty purple penny  
And it's prettier than any  
Of the pennies I have ever seen before

I can put it in my pocket, I can keep it in a locket  
I could hide it my sock or in my shoe  
If I hold it really tight and I wish with all my might  
I bet the wish will soon come true

I love my pretty purple penny  
I don't think there can be many  
'Cause I know I've never seen it in a store  
I've got a pretty purple penny  
And it's prettier than any  
Of the pennies I have ever seen before

Before I felt so yucky and now I feel so lucky  
I wanna share this happiness with you  
So, as you go along your way, I hope some day  
You'll come across a lucky penny too.

Just like my pretty purple penny  
I don't think there can be many  
'Cause I know I've never seen it in a store  
I've got a pretty purple penny  
And it's prettier than any  
Of the pennies I have ever seen before

## UMLINGO – MAGIC IN AFRICA

Ay ya oh yebo, imimangaliso, yebo, umlingo in Africa

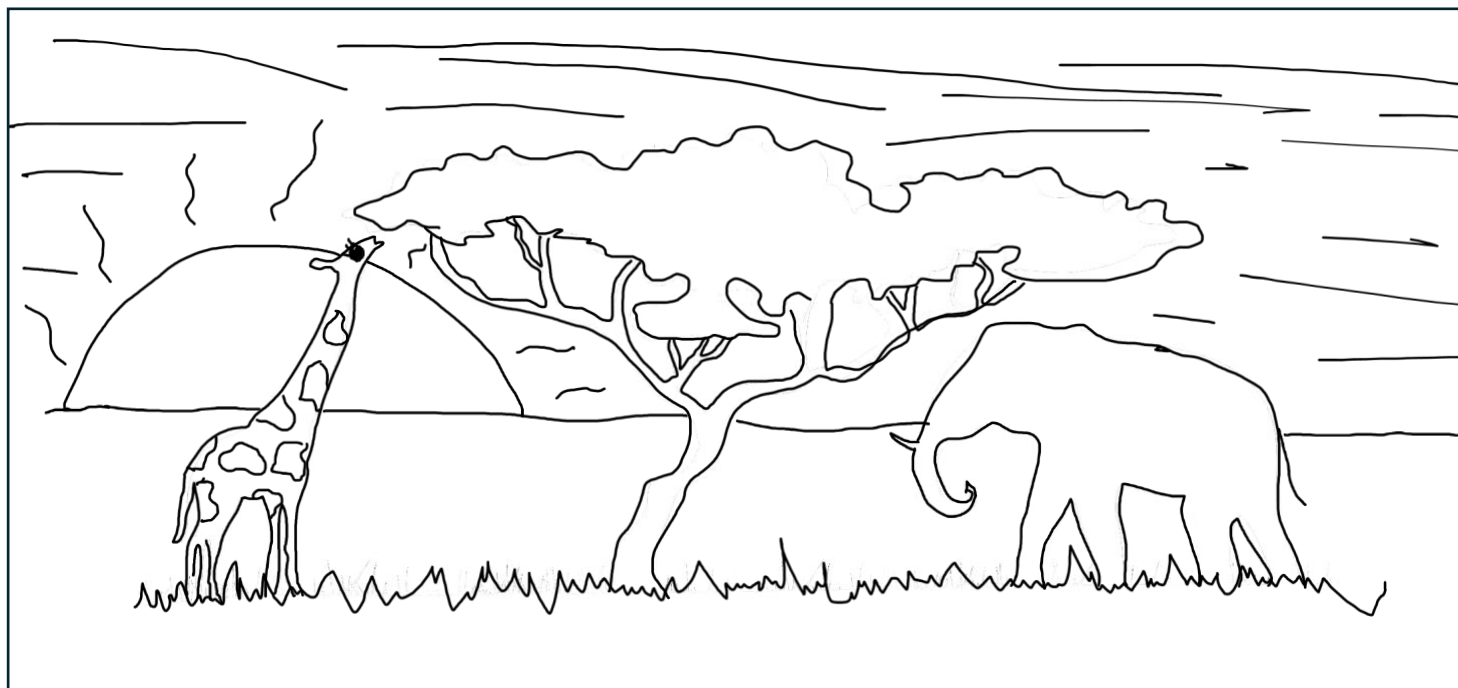

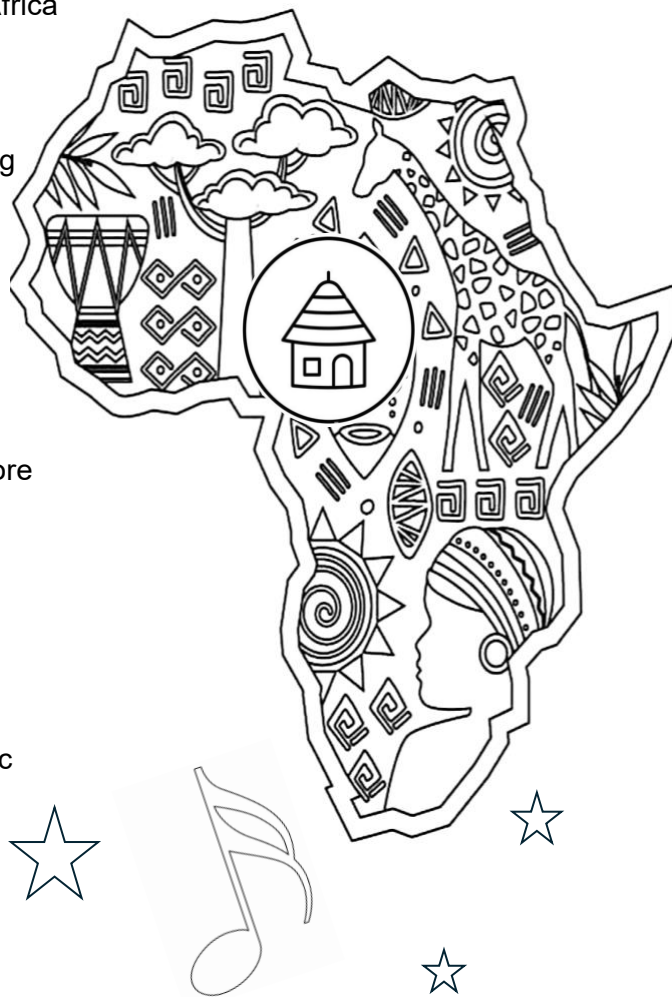

There's a kind of magic in the African beat  
That puts a kind of magic in the souls of your feet  
Makes you want to dance, makes you want to sing  
Makes you want to smile at everyone and everything

Ay ya oh yebo, imimangaliso  
Yebo, umlingo in Africa  
Ay ya oh yebo, imimangaliso  
Yebo, umlingo in Africa

There's a kind of magic in the African skies  
It falls from the stars and shines in your eyes  
It's a kind of magic you cannot ignore  
It's in the way we live and how we love, it's in our core

Ay ya oh yebo, imimangaliso  
Yebo, umlingo in Africa  
Ay ya oh yebo, imimangaliso  
Yebo, umlingo in Africa  
You feel it your heart, you feel it in your bones  
As light as a breeze and as strong as a stone  
It can brighten your day, blow your troubles away  
When we play, when we pray there's a kind of magic  
Imilingo

Ay ya oh yebo, imimangaliso  
Yebo, umlingo in Africa  
Ay ya oh yebo, imimangaliso  
Yebo, umlingo in Africa

## THE POWER OF SPRING

I feel the power, I feel the magic  
I feel the power of Spring  
I feel the power, I feel the magic  
I feel the power of Spring

With the promise of a summer just around the corner  
There's a spring in my step that won't stop  
I feel strong, I feel brave  
I can surf the wildest waves  
I can climb the highest mountains to the top

When I feel the magic of Spring I can do anything  
I've got a hundred thousand happy songs to sing  
I am confident and clear, I have no doubts, no fear  
Oh the power of Spring is amazing  
The power of Spring is amazing

I feel the power, I feel the magic  
I feel the power of Spring

Hummingbirds and honey bees  
Daisies dancing in the breeze  
Rays of sunshine sparkle in my hair  
Spring awakens my spirit  
My head and heart and soul are in it  
I feel love for everyone everywhere

When I feel the magic of Spring I can do anything  
I've got a hundred thousand happy songs to sing  
I am confident and clear, I have no doubts, no fear  
Oh the power of Spring is amazing  
The power of Spring is amazing

I feel the power, I feel the magic  
I feel the power of Spring

I hear the gentle rains that Fall on African plains  
They're painting pretty rainbows in the sky  
Clouds are smiling at the colours in a million fields of flowers  
I feel so free, I could fly!

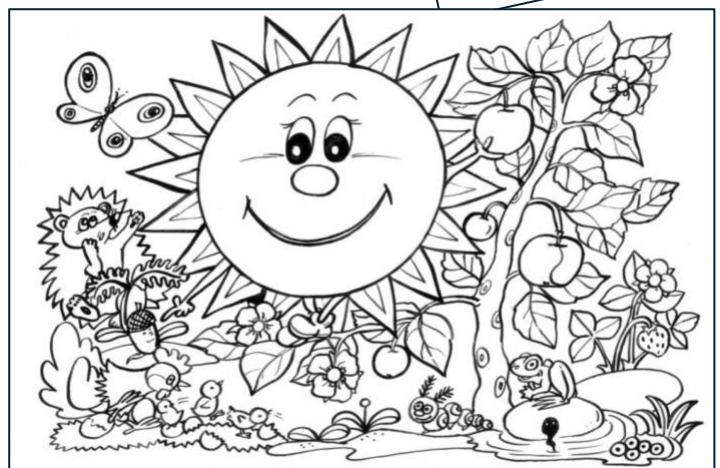

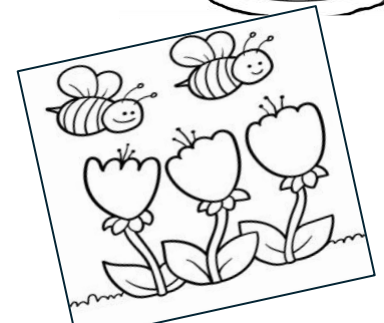

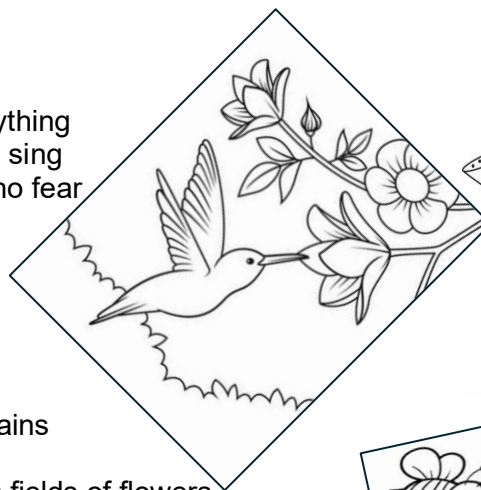

When I feel the magic of Spring I can do anything  
I've got a hundred thousand happy songs to sing  
I am confident and clear, I have no doubts, I have no fear  
Oh The Power of Spring is Amazing  
The Power Of Spring is Amazing

I feel the power, I feel the magic  
I feel the power of Spring

I feel the power, I feel the magic

I feel the power, I feel the magic  
I feel the power of Spring

Ndiva Amandla!

## UNDER THE AFRICAN SUN

If wishes came true, I would wish for you  
No more worries, no troubles, no fear  
Unconditional love we've been dreaming of  
And only laughter and smiles through the year

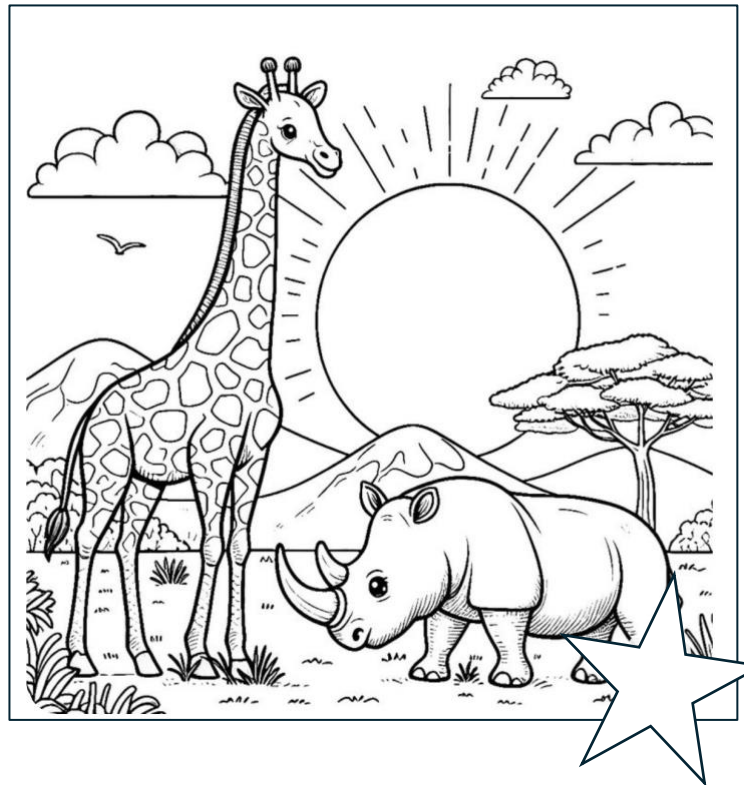

Let us sing to the people our song of hope  
All our voices in harmony  
For freedom and kindness, for peace on earth  
What a wonderful world this could be

Brothers and sisters  
Let's dance together as one  
Under the African sun  
All full of fiesta fun  
Let's sing together as one  
Under the African sun

We can all shine as bright  
As the stars of the night  
If we do good and follow our hearts  
If we help out a neighbor  
A friend or a stranger  
What a difference we'll make  
Once we start  
Let us all unite  
Let us do what's right  
Be the powerful change now  
Don't wait  
Then we'll party all day  
We will party all night  
With good reason to celebrate

Brothers and sisters  
Let's dance together as one  
Under the African sun  
All full of fiesta fun  
Let's sing together as one  
Under the African sun  
Let's sing together as one  
Brothers and sisters

Let's dance together as one  
Under the African sun  
All full of fiesta fun  
Let's sing together as one  
Under the African sun  
Let's sing together as one
