## RIDE THE RAINBOW RING

Ride the Rainbow Ring with me for a half an hour or so  
There is so much to do and so much to see and so many places to go  
With a little imagination and a lot of creative play  
With a story and a song, we will take you far up and away

To place where all your dreams come true  
To a space where magic waits for you  
And I will always lead you through the wonder of it all

Every place is filled with fantasy  
Every space holds fun and mystery  
And I will always lead you through the wonder of it all  
Where ever the rainbow gently falls  
I wonder where will the rainbow gently fall today ?

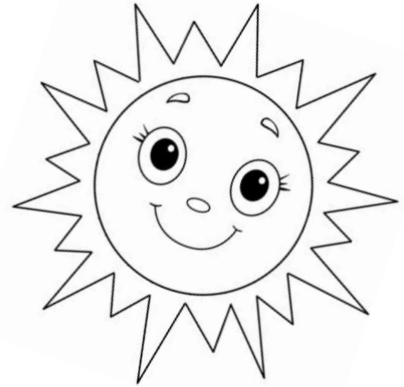

## SUM SUM SUMMERTIME

It's sum-sum-sum-sum summertime  
Summer's really hot  
It's sum-sum-sum-sum summertime  
And I like summer a lot

It's so cool to swim in the pool or even in the sea  
It's sum-sum-sum-sum summertime  
Have summer fun with me

On this island it's summer all year  
And we are so happy that we are here  
On this island it's summer all year  
And we are so happy that we are here

It's so cool to swim in the pool or even in the sea  
It's sum-sum-sum-sum summertime  
Have summer fun with me

## BOOGIE BOARD BILLY

Boogie Board Billy is a bright young boy  
His bodyboard is his favorite toy  
It's sun bright yellow with fins of black  
And purple circles front and back  
There's no place he'd rather be  
Than surfing the waves  
Of the deep blue sea

No wave is ever  
Too big or small  
Boogie Board Billy  
Can surf them all  
He rides the tide  
And when he falls  
It doesn't bother him  
'Cause he learned young  
And he learned well  
To swim, swim, swim

Oh Boogie Board Billy  
He sure looks neat  
From his wetsuit down  
To the flippers on his feet  
On his face and hands  
His sunscreen glows  
And he wears a smile  
Wherever he goes  
The fish and the dolphins  
Are all his friends  
The fun in the ocean  
Never ends

No wave is ever  
Too big or small  
Boogie Board Billy  
Can surf them all  
He rides the tide  
And when he falls  
It doesn't bother him  
'Cause he learned young - And he learned well - To swim, swim, swim !

## GOT MY PJs ON

I've got my PJ's on - I've brushed my teeth  
But I'm not ready to go to sleep  
I've got my PJ's on - I've brushed my teeth  
But it's time for a late night feast!

I know I've had my dinner - I even had dessert  
But a little snack, just a little snack  
Really couldn't hurt

I'll tiptoe to the kitchen - Get a cookie from the jar  
Or perhaps a piece of candy  
Or a creamy chocolate bar

I've got my PJ's on - I've brushed my teeth  
But I'm not ready to go to sleep  
I've got my PJ's on - I've brushed my teeth  
But my teddy bear needs a treat

I'll get a bowl of honey for my buddy teddy bear  
A jug of juice or sweet warm milk  
Enough for us to share!

Oh boy, I'm really tired now  
And oh, my belly aches  
I do believe I ate too much -  
I shouldn't eat so late  
Perhaps I'll climb into my bed  
And rest my weary little head

I've got my PJ's on -  
I've brushed my teeth  
And now I'm ready to go to sleep  
I've got my PJ's on -  
I've brushed my teeth

Goodnight

## **FREDDIE THE FROG**

Freddie the frog sits on a log  
In the middle of the river  
When it gets bitterly, bitterly cold  
Freddie the frog starts to shiver

Freddie the frog sits on a log  
In the middle of the river  
Puffing his throat in and out  
Thinking about his dinner

He's on the lookout for bugs and flies  
He watches for them  
With his big froggy eyes  
He catches them fast  
With his very long tongue  
One by one, by one

But there is one sad awful thing  
Freddie the frog  
Doesn't know how to sing  
He opens his mouth  
And all that comes out  
Is a CROAK and Ribbid Ribbid

Freddie can jump so far, so high  
He can almost touch  
Every star in the sky  
He hops from log to log then up  
Onto the river bank he'll jump  
Then he'll hop back into the river to swim  
Oh Freddie the frog, we do love him

Our Freddie the frog he sits on a log - In the middle of the river  
And when it is night, his eyes close tight ..... And he sleeps ..... Till he falls in the river

Our Freddie the frog he sits on a log - In the middle of the river  
Come rain or shine, you can find our Freddie the Frog by that river

## SEAT BELT ON

I'm sitting in the back seat, seat belt on  
In the back of our cool car  
We could be going anywhere  
It could be near or far  
I'm sitting in the back seat, seat belt on  
In the back of our cool car

I'm sitting in the back seat, seat belt on  
In the back of our cool truck  
Who gets the left side, who gets the right  
It's only a matter of luck  
I'm sitting in the back seat, seat belt on  
In the back of our cool truck

I'm sitting in the back seat, seat belt on  
In the back of our cool van  
The world goes by the window  
And I see as much as I can  
When I'm sitting in the back seat, seat belt on  
In the back of our cool van

I'm sitting in the back seat, seat belt on  
In the back of our SUV  
With food and drink and a snack for the trip  
In case I get hungry  
I'm sitting in the back seat, seat belt on  
In the back of our SUV

It's truly never boring when I hear the motor roaring  
There's a rhythm as the wheels go round and round  
The engine hum is soothing and as long as we are moving  
It doesn't matter where we're bound  
'Cause I'm so happy  
Sitting in the back seat, seat belt on  
In the back of our cool car

## FRIENDSHIP PARTY

We've got a reason to celebrate  
We're with friends and it feels great  
Friends have so much fun together  
Friends can make your day much better  
So we're gonna have a friendship party  
We're gonna have a friendship party  
We're gonna have a friendship party today

We don't need party hats  
Or balloons up in the air  
We just need  
Our friendship fun  
And friends who  
Care and share

I'm so happy you're  
Here with us  
I hope you'll stay a while  
'Cause any time  
Is party time  
With friends  
Who make us smile

We've got a reason  
To celebrate  
We're with friends  
And it feels great

Friends have so much fun together  
Friends can make your day much better  
So we're gonna have a friendship party  
We're gonna have a friendship party  
We're gonna have a friendship party today

## FRIENDSHIP CAKE

Take a mugful of hugs  
And a pound of sharing  
A jug full of laughter, a cup of caring  
Mix it together and give it a shake  
That's how you make  
A friendship cake

Add a pound of pleasure  
And new ideas  
A spoonful of smiles  
To wipe away tears

Mix it together and give it a shake  
That's how you make  
A friendship cake

Colour the dough  
With a magical show  
Of love and appreciation  
Concern and trust  
And kindness must  
Go into your friendly creation

Mix it together  
And give it a shake  
That's how you make  
A friendship cake

Take a party platter of sticky batter  
Lick the dish and make a wish  
What a delicious thing to bake

Oh how I love my friendship cake

## I'M RIDING MY BICYCLE

I'm riding my bicycle every day  
I'm riding my bicycle come what may  
I'm riding my bicycle up and down  
Just riding my bike around

I straddle on my saddle  
And it feels good  
Riding around  
My neighbourhood  
I go very fast,  
I can hop over sticks  
I'm a real pro  
At bicycle tricks

In every race  
I make good time  
I find my place  
To the finish line  
I push my pedals  
No time to rest  
And I do get a medal  
When I try my best

Poor Bobby's got a booboo on his knee  
'Cause he fell off his bicycle next to a tree  
He always seems to crash the worst  
'Cause he never thinks of safety first

I've always got my helmet on my head  
And my kneepads on my knee  
Elbow pads and wrist guards too - All protecting me

When I'm riding my bicycle every day  
I'm riding my bicycle come what may  
I'm riding my bicycle up and down - Just riding my bike around

## SILLY SONG

I've got a silly song that I can call my own  
I mostly sing it when I'm alone  
It makes no sense but it does have rhyme  
So I can sing my silly song any time

It has a rhythm and it has a beat  
I can clap my hands and stamp my feet  
I can make up words as I sing along  
I love the silly sound of my silly song

Silly kiddly winky way  
Silly fiddly binky bay  
Hey ho, what do know I've got have a silly song of my own  
A silly song of my own  
Yeah

## FUNNY CLOWN

1 I'm a funny, funny clown  
A funny, funny clown  
I'll make you laugh – ha ha ha  
'Cause I'm a funny clown

I can do the trickiest trick,  
2 You'll think I'm really smart  
When I begin my clown routine  
You'll laugh right from the start

I may be silly, I may be sly

3 But you should know I'd never hurt you  
Even when I take my water gun and try to squirt you

4 I'm a funny funny clown  
The funny one in town  
I'll make you laugh – ha ha ha  
'Cause I'm a funny clown

5 Wherever I go I'm prone you know  
To stumble trip or fall  
But remember that I'm just a clown  
So it never hurts me at all!

6 I'm a funny funny clown  
The funny one in town  
I'll make you laugh – ha ha ha  
'Cause I'm the funny clown

7 I can juggle and jump so high  
Ride a unicycle, climb a ladder to the sky  
I'll sing a silly song and do funny magic too  
'Cause making people laugh is what I love to do

8 I'm a funny funny clown - The funny one in town  
I'll make you laugh – ha ha ha - 'Cause I'm the funny clown

We could all live

In peace and harmony
